

LOOMIS EXPRESS ADVANCED PURCHASED PRODUCTS

Our convenient pre-purchased packs and envelopes help you budget your shipments before you ship. They're perfect for those regular shipments that are the same size or weight. Loomis Express Advanced Purchase Products can help you save on bulk orders with discounted pricing, avoid unexpected shipping charges, regulate and forecast your shipping budget and ensure you don't run out of supplies with automated ordering.

When is APP suitable?

If you:

- Want to budget for document shipping costs
- Want to purchase a product for which you will know the exact cost per item shipped
- Are a high volume document shipper and want discounted rates with prepaid shipping
- Need to simplify your shipping/budgeting process
- Are a new business owner or small business owner who would not qualify for a domestic account
- Have a poor credit rating

What are the benefits?

- Budget shipping costs
- Receives discounts for prepaid shipping
- Need to simplify your shipping/budgeting process
- No time limit on use of product
- Does not qualify for Domestic account but another option is available
- Product most convenient for small-medium sized companies
